

## **BIGG Digital Assets Inc.**

**Symbol:** CSE: BIGG

**Market Cap:** 63.1M

**Sector:** Blockchain

**Purpose:** Raise Awareness / Open Market Buying

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Blockchain Intelligence Group ([blockchaingroup.io](http://blockchaingroup.io)) and Netcoins ([gonetcoins.com](http://gonetcoins.com)).

### **Investor Bullet Points:**

- Fast growing crypto company with 2 operating businesses - Blockchain Intelligence Group (Crypto Forensics) and Netcoins (Crypto brokerage/exchange)
- Blockchain Intelligence Group - global business with US Gov't as largest client, recent competitor valuations at \$1 billion
- Netcoins: Growth of 40%-70% month over month, pending securities registration to become first regulated crypto trading platform in Canada

### **Mark Binns, CEO & Director**

Mark Binns has 20+ years of experience building customer-driven sales and marketing strategies. Mark has founded, built, and sold two consulting companies that provided strategic advice on customer acquisition and revenue growth to Fortune 1000 technology companies including RIM, Cisco and Rogers.
