

FANSUNITE

FansUnite Entertainment Inc.

Symbol: FANS

Market Cap: 177.8M

Sector: Esports

Purpose: Raise Awareness / Open Market Buying

FansUnite is a sports and entertainment company, focusing on technology related to regulated and lawful online betting. The Company runs sports betting brands and has developed a full-suite iGaming platform to provide partners and players a versatile and vertically integrated platform with a portfolio of unique products focusing on esports, sports betting, and casino products.

Investor Bullet Points

- Full suite iGaming platform for sports betting, esports and casino.
- Multiple revenue streams through B2B, B2C, and Games.
- Global license infrastructure and world-class team.

Darius Eghdami, President

Darius is a Chartered Accountant by trade but has been involved in the technology and sports betting industry for the last decade. Darius is the founder and president of FansUnite, helping guide the company through multiple acquisitions and financings. He has extensive experience managing companies, raising capital, developing overall vision and business frameworks and was recently named Canada's next 150 top entrepreneurs by the TMX Group.

Scott Burton, CEO

Scott co-founded Askott as its CEO in 2014. Mr. Burton is a designated accountant with over 15 years of senior operational experience. It was his passion for sports and the iGaming space that first led Mr. Burton to found an award-winning peer-to-peer betting exchange in 2013. In 2014 he steered the Company into the Esports space creating the first Esports daily fantasy site, esportspools.com.
