

## **Barksdale Resources Corp.**

**Symbol:** TSXV: BRO | OTCQX: BRKCF

**Market Cap:** 20M

**Sector:** Mining

**Purpose:** Raise Awareness / Open Market Buying

Barksdale is committed to increasing shareholder value by acquiring, exploring, and de-risking high quality precious and base metal projects in the Americas. We operate under a simple philosophy that requires a disciplined approach to buying well and conducting thorough and systematic exploration. Underpinning this philosophy is a focus on obtaining assets that provide the appropriate mix of exploration potential, district scale property control, and optionality around potential exits.

### **Investor Bullet Points:**

- Barksdale Resources is base metal exploration company headquartered in Vancouver, B.C., that is focused on the acquisition, exploration and advancement of highly prospective base metal projects in North America.
- Barksdale is currently advancing the Sunnyside copper-zinc-lead-silver and San Antonio copper projects, both of which are in the Patagonia mining district of southern Arizona, as well as the San Javier copper-gold project in central Sonora, Mexico.
- Barksdale Resources is a member of the 2023 OTCQX Best 50
