Sector: Resource

Trident Resources Corp. is a Canadian gold exploration company focused on building a district-scale gold story in Saskatchewan's prospective and underexplored La Ronge Gold Belt. The company controls a large, consolidated land position covering multiple past-producing and advanced-stage deposits, including the Contact Lake Gold Project. With active drilling, a growing resource base, and a strong technical and capital markets team, Trident is advancing high-grade gold assets in a stable, mining-friendly jurisdiction with a clear path toward value creation.
